Falling Walls Lab Ljubljana 2016

University of Ljubljana will be hosting its second Falling Walls Lab. The **Falling Walls Lab LJUBLJANA** will take place on **21 April 2016** at the **University of Ljubljana, Kongresni trg 12, 1000 Ljubljana, Slovenia**. Applications can be made online at falling-walls.com/lab/apply and have to be submitted latest by 6 April 2016.

The Falling Walls Lab is a non-profit series of scientific conferences, which aims at building and fostering interdisciplinary connections between young researchers. The Falling Walls Lab is a cooperation project between the Falling Walls Foundation and the global management-consulting firm A.T. Kearney (Founding Partner) and Festo, worldwide supplier of pneumatic and electrical automation technology (Global Partner).

Please find more information on the Falling Walls Lab on: <http://www.falling-walls.com/>.

The event offers the opportunity to excellent academics, entrepreneurs and professionals to present their innovative ideas, research projects and social initiatives. All disciplines are welcome.

The winners of the Falling Walls Lab Ljubljana will receive a cash prize and the opportunity to present their work in front of a distinguished jury and attend the Falling Walls Conference on 8 November where they meet the world's top scientists.
